Environmental Society

Feed the Birds was well attended though cut short by rain at 4pm. Thank you to everyone who helped at the event in any way. The Square Challenge was launched on the day and we already have well over 1000 records for Hayscastle. Anybody who wishes to contribute is welcome.

The 10th litter pick took place on 20th October with 13 volunteers turning out on what was the longest litter pick we have done - darkness almost beat us. The age range was from 5 to 71 proving they are open to all-comers. The pleasing part was only 3 bags of litter were collected whereas in early runs we often reached double figures. Well done everybody. A winter walk along the Brandy Brook Valley took place during a brief interval of fine weather over Christmas on 30th December. Dry conditions and some sunshine enabled us to see 163 species including Red Kites and 5-spot ladybird. Winter maintenance is taking place in the Community Woodland on Tuesday

mornings during January. These are good fun and a chance to get some fresh air and exercise whilst helping to keep the area good for wildlife and public use. Finally all village flower beds were cleared out and replanted in the autumn. Our latest volunteers who have taken responsibility for the raised bed by Pearl Lewis are Nia, William and Owain Lewis who planted tulips amongst the wall-flowers after the last Forum meeting. It has taken 14 volunteers a total of 40 hours to make this transformation in the flower beds and they all deserve our thanks. It was therefore sad to see that the Memorial bed had been badly damaged just before Christmas. Therefore in order to avoid any future repetition of this incident it has been proposed that that we raise the bed with a small surrounding wall. As 2014 is an important year for Remembrance if anybody can help with this please get in touch.

Grasshoppers Club

What can I say? Generally noisy, always hungry, active and hopefully learning. Our indoor meetings are generally centred around a craft or identification challenge. Occasionally a moth or spider escapes so if you see one under your seat it belongs to Thomas! We gained 10 new members during the autumn which gives us the possibility of 21 at a meeting. At the December meeting we made a Christmas tree from a fir cone and a cracker, before eats, drinks and prizes for best attendance, most helpful student and a few long service awards. Well done to you all.

Hayscastle YFC

Over the winter months Hayscastle YFC has been very busy taking part in a number of county competitions - beginning with the Eisteddfod, the mini Winter Fair, KO Quiz, public speaking junior reading and indoor games. We had a Halloween Night, and a visit to Ysgol Dewi Sant to see Hannah in the performance of 'Les Miserables'. The Bingo Night at the Cross Inn was very well supported as was the annual service of Nine Lessons and Carols at Newton Chapel. The mini choir of carol singers went round the village to raise money for our adopted charity this year which is Pembrokeshire Wings.

We finished with a meal at the Cross Inn. We are very grateful for the support we receive in the community.

This year Brawdy YFC have invited us to join them in the county talent competition in February so until then everyone will be busy practising.

We are always looking for new members and would welcome anyone aged 10-26 interested in coming along on a Friday night to the Community Centre from 8.00-9.30pm.

Please contact Hannah (01348 840150) or Jason (01348 840606) for more information.

Hayscastle WI

The AGM of Hayscastle WI was held in November and a new committee elected with Myfanwy Evans re-elected as president and Kathryn Wilkins is the new secretary. On 23rd November the 40 year anniversary dinner was held at Allt yr Afon and 80 members past and present attended, with guest speaker Canon Dorien Davies. Three original members, Jean, Myfanwy and Stella were presented with gifts.

At the December Christmas social a cheque of £200 was presented to the Alzheimer Society. Several members took part in the YFC Carol Service. In January the meeting was held at Ysgol Croesgoch when the speaker was the Head Teacher Mrs. Jayne Evans on her visit to Lesotho.

A new programme for the coming year has been arranged and next month there is a floral art demonstration.

2015 is the centenary of the first WI opened at Llanfair PG in Anglesey and this year many events are being held at county and national level to celebrate this milestone.

Meetings are held on the second Thursday of the month at the Community Centre at 7-30pm. There is a warm welcome for any lady wishing to come along and enjoy what the WI has to offer.

Surprise, surprise!

Residents of Hayscastle were delighted to see Mrs. June Holmes re-united with the sisters she has not seen for sixty years on the ITV programme Surprise! Surprise! During filming at our very own community centre it was lovely to see so many familiar faces. Special thanks must go to Mrs. Sally Koob for her key role in the arrangements and to those in the know in the community who kept the secret!
