1st & 3rd Sundays
every month

The Quarterly 13th Sunday is normally shared by Hayscastle, Welsh Hook, Roch and Nolton parishes.

Environmental Society

Active members continued with maintenance in the Community Woodland during August ensuring it is kept in a useable state. Anybody who may be willing to help can do so by contacting any member of the HES and will be made most welcome.

The Environmental displays at both Hayscastle and Camrose Shows in August were well supported and special thanks go to all those who helped with the preparation, displays, erecting and dismantling the marquees as well as talking with visitors who came to see the live exhibits and the wildlife in the area. It is unlikely we have ever been busier than at the Camrose Show where there was barely time for a cup of tea all day.

Some of the summer bedding displays are continuing to flower with the fine weather we are having this October but failure to plant the Winter/Spring bedding before the end of the month generally results in a poor display the following March/April. Clearance has already begun and it is hoped to be all planted by the end of October.

October ended with another working party constructing 21 bird nesting boxes of various designs for a local farmer to erect on his land.

Grasshoppers Club

Excellent results at Hayscastle Show with their vegetables and flowers with all 5 entries achieving recognition. Top award came with them retaining the Merfyn Harries Perpetual Memorial Trophy for the best potato exhibit. First prize also for parsley, second for peas and two third prizes for sweet peas and a basket of herbs. All praise to the young gardeners.

The lower turnout during the summer months proved shortlived with numbers attending rising. Finer weather helps and the children have continued with their gardening efforts and shared in the runner bean harvest. Climbing trees and ladders to take down the nest boxes in the Woodland is always popular. These will be

inspected, recorded and cleaned out before re-erecting for the birds to roost in during the winter months. Spare moments are spent catching bugs, insects and generally anything that moves and trying to identify it.

The last meeting fell on the one wet day in the recent dry spell but failed to deter the enthusiastic children who enjoyed a walk through Rhyndaston Woods during which they found a wide selection of fungi. Nesting boxes and wild flower plantings were spotted at Barch Farm Barn where extra special thanks are due to Sue and Lawrence for allowing some tired and wet children to enjoy their hospitality with tea, squash and biscuits to revive them for the final leg of the walk. *P.S. It worked a treat!*

BrawdyHayscastle YFC

BrawdyHayscastle YFC are now in full swing with the Winter programme. In the summer members were busy at the shows with many successes. Congratulations to Nerys on winning the Under 26 sheep stockjudging at the Royal Welsh Show, Emily who retained the YFC Cup at Hayscastle Show and all members who competed or helped at the various shows. The bus shelter has now been painted. At the AGM in September Jason was elected Chairman with Emily as Secretary. We have held a new members evening and are happy to welcome a number of new members. Besides games nights, members have also been bowling and are now preparing for the K.O. Quiz and indoor sports. In November the County Mini Winter Fair and English public speaking will be held but other commitments means we have no one taking part in the Eisteddfod this year. Jason, Hannah and Mary attended the county Harvest service at Llawhaden. Lined up for the weeks to Christmas are a visit to the Leisure Centre, Halloween party, talk by a police officer and a 'Bake Off'. We will be holding our carol service this year at Brawdy Church and a Christmas Bingo at the Cross Inn on Wednesday 9th December, eyes down 8pm.

We are happy to welcome all new members so if you are aged between 10 and 26 why not come along on a Tuesday evening to join us? Meetings are held at Hayscastle Community Centre from 7.30pm to 9.30pm. For more information please contact Jason (01348 840606), Emily (07807 865874) or any member or club leader.

Hayscastle WI

We had a very successful stall at Hayscastle Show and thanks to all members who brought along produce and raffle prizes.

September saw us meet again when our guest speaker was Mrs. Jenny Griffiths, who made three lovely dishes for us, which we all tasted at the end of the evening.

October, and Mr. Ifan Thomas attended our meeting when he gave us a talk on his life, from being a farmer to a Paramedic. Jacqui and Gaynor entered the Centenary Celebrations Produce Show at Rhos, where they were placed 6th overall. Some members enjoyed a lovely evening at Debenhams, where a fashion show was held, also to celebrate the Centenary of the WI in Wales and England.

As part of the Centenary year as a WI we have decided to publish a small cookery book when each member will share one of their favourite recipes, so we hope to have some on sale before Christmas. Please let us know if you would like to purchase a copy.

November sees our AGM, but before this we have several members who are looking forward to an evening out at Uzmaston, when we will attend a fun evening entitled 'Soup and Stimulation'.

We are a friendly group of ladies, who enjoy a chat and having fun, and would love for ladies from the village and surrounding areas join us. Meetings are held on the second Thursday of every month at the Community Centre at 7-30pm.

Hayscastle Show Committee

Hayscastle's Diamond Anniversary Show enjoyed lovely weather and good support from the community, providing 10 hours of competition! The Charity this year was The Stroke Association, next year we will be raising funds for the Wales Air Ambulance.

The Show Dinner was held at Crug Glas. It was a really good night, lovely food and well entertained by Mr Dorian Williams, NFU.

1st Hayscastle Rainbows

We started back at Rainbows in September and went straight into the Rugby World Cup. Everyone picked a country out of a hat and then found out information about that country. We are continuing with the theme 'All About Me' as there is still a lot to cover.

The leaders have been to the Wales Girlguiding base at Broneirion. This is when we get up-to-date information, regulations and

guidelines, as well as learning new craft ideas to share with the girls.

We are also starting our Autumn activities, which will be followed by Christmas. Our final session for this term will take place on the 1st December.

**For more information about Rainbows,
please contact Shan Dixon on
07837 139977.**

Hayscastle Community Forum

Thanks to a grant received by the Forum, six laptops have now been installed in the Community Centre, to be used by the Community. There is also an A3 wireless printer available for use, as well as an interactive whiteboard and projector.

The Community Forum would like to thank the Community Council for their kind donation towards the new back door. The Forum would also like to remind all members of the Community that raffle tickets for the Grand Christmas Draw 2015 are now for sale from Mrs. Sarah Lewis (01348 840410). The draw will take place during the 'Rockin' Around the Christmas Tree' celebration on Saturday 5th December. There are some wonderful prizes to be won and tickets are only 50p each so please do not miss out on the chance to buy a book (or three!)

The next Community Forum Meeting will take place on **Thursday 21st January** in the Community Centre, at 7.30pm. A warm welcome is extended to all.

Any entries for the newsletter need to be submitted by this date, for inclusion in the Spring edition (February/March/April).

Hayscastle Community Council

The AGM of Hayscastle Community Council was held in September. Retiring Chair Cllr Nicola Savage thanked members for their support during her year of Office. Election took place for the coming year, which sees Cllr Andrew Phillips as Chairman and Cllr Thomas Richards as Vice Chairman, with Mr. Lee Wilkins continuing as Clerk.

The Council would like to thank members of BrawdyHayscastle YFC for painting the bus shelter opposite the Cross Inn. The Council have also given £150 to the Forum, as a donation towards the new back door that has to be purchased for the Centre. It is also hoped that the problem outside the Centre can be resolved by laying some new tarmac to stop the flooding.

Preparations are well in hand for the Remembrance Service on 8th November at 3.15pm, when it is hoped that members of the Community will attend. Several groups will also be laying wreaths as a mark of respect. Refreshments will be served at the Community Centre after the Service, where there is a welcome for everyone.
